Meant to say, I called but got voicemail. If you can follow up with email, that'd be super helpful:

Patrice –

Would you be interested in being on a panel that Jessica Lall is moderating at IDA's [West Coast Urban District Forum](#) in Downtown Long Beach? The panel itself is on March 16, 8:30 – 10 a.m., "Millennials Shaping Cities," which covers how the age group is shaping our communities and how slow policy is to keep up. Brookfield would be a great company to round out the panel.

We're on the same wavelength. I called her immediately after you and I chatted about it. Crossing my fingers it's not too late notice...

You know who would be fun to have on this panel if she's available is Patrice Hopper from Brookfield. If you think she's a good fit, send me a little blurb on it and I'll reach out.

Hey Nick - Do you have some time today or tomorrow to chat about Jessica's panel at the West Coast Urban District Forum on the 16<sup>th</sup>? Trying to hone the format, the focus and prep for a larger call with the rest of the panelists + JL.
